DECISION NO. 74937

ORDER EXTENDING DEADLINE
CONTAINED IN DECISION NO.
74689

February 3 & 4, 2015
 Open Meeting
 Phoenix, Arizona

BY THE COMMISSION:

* * * * *

Having considered the entire record herein and being fully advised in the premises, the
 Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. In Decision No. 74689 (August 12, 2014), the Commission approved the application
 of UNS Energy Corporation ("UNS Energy"), Tucson Electric Power Company ("TEP"), UNS
 Electric, Inc. ("UNS Electric") and UNS Gas, Inc. ("UNS Gas") (collectively, "Companies") for
 approval of their reorganization.¹

2. As part of Decision No. 74689, the Commission ordered the Companies to
 "compile and file with Docket Control as a compliance item, within 120 days of the effective date of
 this Decision, a comprehensive list of all waivers of Commission rules that remain in effect as well as
 any conditions imposed on the utilities as a result of other prior Commission Orders, and address
 whether the waivers and conditions are necessary and in the public interest."

¹ Fortis Inc., a utility holding company, merged with UniSource Energy Corporation (the Companies' parent), thus becoming the new ultimate parent of the Companies.

1 3. The deadline for the compliance filing was December 10, 2014.

2 4. On December 9, 2014, the Companies filed a Request for Extension of Compliance
3 Filing Date, stating that due to the extensive nature of the compliance filing and the other ongoing
4 Commission proceedings that involved the same personnel, the Companies requested an extension of
5 the deadline until January 16, 2015. The Companies filed a second extension request on December
6 12, 2014.²

7 5. On January 16, 2015, the Commission's Utilities Division ("Staff") filed a
8 Memorandum in response the Companies' request.

9 6. In its Response, Staff notes that it met with an attorney of the Companies on
10 December 30, 2014, to discuss the extension request, at which time Staff learned that the Companies'
11 long-term compliance employee is no longer with the Companies. Staff states that based on all the
12 circumstances of this matter, it does not object to the request for an extension, and recommends that
13 the compliance requirement for the "comprehensive list of all waivers" be extended until January 31,
14 2015. In addition, focusing on the December 12, 2014 filing date, Staff recommends that the
15 Companies should be put on notice that they should file any and all requests for extensions of time
16 prior to the due dates.

17 7. On January 20, 2015, the Companies filed a Clarification Comment to the Staff
18 Report. The Companies state that they filed their request for an extension on December 9, 2014, prior
19 to the December 10, 2014 compliance deadline, but did not include the entire service list in that
20 filing. They state that after being contacted by counsel for Staff, on or about December 11, 2014,
21 requesting that they include the full service list, the Companies re-filed the extension request with the
22 entire service list on December 12, 2014. As a result, the Companies believe that they filed their
23 extension request prior to the deadline.

24 8. No opposition to the requested extension was received. The requested compliance
25 compilation is extensive and the deadline fell during a time when the Companies were involved in
26 several other proceedings at the Commission, as well as during the holiday season. Given the totality

27 _____
28 ² The only difference between the two filings, beside their filing dates, is the service lists, with the second filing including all parties to this docket.

1 of circumstances, the request for an extension is reasonable, and will not harm the public interest.

2 9. The Companies first requested the extension one day prior to the deadline, which
3 complies with Commission practice that such requests be filed before the deadline. However, Staff's
4 request that the entire service list be included on all filings is justified. In this case, there has been no
5 prejudice to other parties or the public interest as all have received adequate notice of the request. All
6 interested parties are reminded to file timely extension requests, and unless excused by Commission
7 Order, to include all parties on all filings.

8 CONCLUSIONS OF LAW

9 1. TEP, UNS Electric and UNS Gas are public service corporations pursuant to the
10 Arizona Constitution Article 15, Arizona Revised Statutes, and Title 40 generally, and A.A.C. R14-2-
11 801 et seq., and UNS Energy is a Public Utility Holding Company pursuant to A.A.C. R14-2-801.4.

12 2. The Commission has jurisdiction over the Companies and the subject matter of the
13 request.

14 3. Under the circumstances described in the filing, the requested extension of time is
15 reasonable and should be approved.

16 ORDER

17 IT IS THEREFORE ORDERED that the deadline for UNS Energy Corporation, Tucson
18 Electric Power Company, UNS Electric, Inc., and UNS Gas, Inc. to file a list of waivers and
19 conditions that remain in effect, and to address whether they remain in the public interest, as set forth
20 in Decision No. 74689, is extended until January 30, 2015.
